**OFFICE OF PETITIONS**  
ON PETITION

This is a decision on the petition, filed May 5, 2004, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed July 31, 2002, which set a shortened statutory period for reply of three (3) months. A Notice of abandonment was mailed February 13, 2003. In response, an amendment and the present petition were filed.

The Revocation and Power of Attorney filed April 30, 2004, has not been accepted since it is filed on behalf of the assignee but does not comply with the requirements of 37 CFR 3.73(b). However, in accordance with 37 CFR 1.34(a), the signature of Song K. Jung appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party in whose behalf he acts. However, if Mr. Jung desires to receive future correspondence regarding this application, an acceptable power of attorney or authorization of agent must be submitted. For petitioner's convenience, a Statement Under 37 CFR 3.73(b) is attached. While a courtesy copy of this decision is being mailed to petitioner, all future correspondence regarding this application file will be directed solely to the address of record.

Telephone inquiries concerning this decision may be directed to the undersigned at (703) 305-9282. All other inquiries regarding this application should be directed to the Technology Center.

The application file is being forwarded to Technology Center AU 3743 for consideration of the amendment filed May 6, 2004.
